# FREE FEATURES ARE A GOOD THING

## **DECISIONS ARE SOMETIMES EASIER**

When Steltronic® Focus was first introduced, the management and developer teams thought about the bowling center needs and not having to make tough decisions based on price versus features. So the decision was clear, include just about everything you need at the bowling center for one low price.

## **FEATURES VERSUS PRICE**

The Focus automatic scoring system is loaded with features and you don't have to pay for them as extra add-ons. This is one major advantage Steltronic® has compared to the competition because with Focus, it's included free!

- Automatic bumper controls
- Automatic foul light controls
- Pinsetter black light controls
- Lockers management
- Laser tag management
- Membership module
- Gift card management
- Credit Card processing
- Pool tables and other timed games
- and many more...

## **SELLING A LANE**

With Focus, selling a lane is something that's done every day, but you need to look at the ways bowling is sold these days, and we have you covered.

- By the game
- By the hour with options
  - Per player
  - Per Lane
- Manager rates

Steltronic Focus

- Manager comps
- Pre – bowled league scores

## **OUR GUARANTEE**

Focus automatic scoring is guaranteed to be the most friendly system you will use and with the least of amount of hardware and cabling of any scoring system out there. We like to say: "We've got your back covered".

## **FREE FOR LIFE**

Since 1980, Steltronic remains the sole company offering free technical support and free Steltronic software updates for the life of your system. Our company is not something new, as we have been around since 1980 serving the bowling

industry with more than 19,712 lanes of automatic scoring installed worldwide.
